The Journalism Class of 1951-52 dedicates this year's Mograndah to the man and woman of Grand County now serving in the Armed Services of the United States of America - -

*O beautiful for heroes proved*
*In liberating strife*
*Who more than self their country loved,*
*And mercy more than life!*

*America! America!*
*May God thy gold refine,*
*Till all success be nobleness*
*And every gain divine!*

# Superintendent's Message

Mograndah Day marks the passing of another school year. With it have gone rich experiences to individuals that make up the machinery of the extra-curricular activities of high school life.

The value of the services rendered to your school would be difficult to appraise. But the future will point out many examples as proof of such participation. You should appreciate the privileges and honors that have come to you through election or appointment to positions of trust. Your very best effort should go to whatever obligation you undertake. You should meet the challenge. "There is never a job too big for a man, but there may be men too small for a job." Nobody likes a quitter. If you are in a position of leadership, carry through as a leader should. If you are a member of a team, remember that team work counts. "A chain is only as strong as its weakest link."

School has such a large variety of learning experiences it is practically impossible to designate those of highest worth to a student. Positions that may be of greatest worth to one may be of least worth to another. The ultimate goal for each of you should be to select those subjects and activities that will provide for you the richest development and the greatest pleasure and happiness, and to do the best you can in each endeavor. My wish to each of you is that you accept the philosophy of Henry Van Dyke in this poem:

## WORK

*"Let me but do my best from day to day*
*In field or forest, at the desk or loom,*
*In roaring market-place or tranquil room;*
*Let me but find it in my heart to say,*
*When vagrant wishes beckon me astray,*
*'This is my work; my blessing, not my doom;*
*Of all who live, I am the one by whom*
*This work can best be done in the right way.'*

*"Then shall I see it not too great, nor small,*
*To suit my spirit and to prove my powers;*
*Then shall I cheerful greet the laboring hours,*
*And cheerful turn, when the long shadows fall*
*At eventide, to play and love and rest,*
*Because I know for me, my work is best."*

HENRY VAN DYKE

My best wishes go with the Class of '52. A happy vacation to all of you.

*Sincerely,*

**HELEN M. KNIGHT**

The annual Christmas cantata, "Bethlehem," went over bigger and better than ever. The lovely voices were heard by many.

These talented young ladies rated high in the Spring Festival, which took place in Roosevelt, Utah, this spring.

During this school year the girls' chorus was invited to participate many times in such community gatherings as churches, benefit shows and dances, and Literary Club.

# SCHOOL DAZE

**In order that you may look back in this Morgandah and remember the small, as well as the big things which have made this a wonderful year, the Staff presents the School Diary:**

SEPT.

20—Yes, this was the evening that the 8th Grade held their hay ride, and what a ride! While going down a hill on the road to the city park, the tractor slipped out of gear, struck a rock, and went out of control. Several of the students were injured, but not seriously.

21—Initiation—and what an initiation it was! It was difficult to recognize any of the Freshmen, when they were dressed in their garbs. *Note Freshmen Snapshot page! After the final gag of the initiation, the Seniors held the Senior Hop.

OCT.

1—The Senior Class gave a party in honor of the Juniors. A picnic was planned and was to be held at Kane Springs, but the wind and rain altered the plans. The party was finished in the gym, where the Hokie Pokie was danced.

20—The Sadie Hawkins Dance was a real chance for the girls, and from the turnout, most of them took advantage of it.

25—Freshman party—the Freshmen had by this time recuperated from the Initiation and were able to "sit down" and enjoy the party.

29—Hallowe'en Dance, the chance of a lifetime, when one and all can change masks.

NOV.

2—Sophomore Swing. Theme, "Chop Sticks." This was one of the most original dances of the year, complete with decorations of lanters and bamboo, confetti, and food sale. Congrats to a very co-operative class.

9—Freshie and 8th Grade Party. The Freshies were hostesses to this party, and the 8th Grade returned the favor later in the year.

14—Assembly. The band played several well prepared selections, after which Carol Redd gave a number of readings which were very much enjoyed and well given.

19—F. H. A. Party. The evening was spent playing volleyball. Later in the evening spaghetti and meat balls were served.

30—The Freshmen came into the spotlight when they sponsored the Freshman Frolic. The theme was "Turkey in the Straw."

DEC.

5—The Psycology Class planned an evening in the wide open spaces, but due to rain they were forced to return to town. They continued their fun at the Legion Hall.

6—Senior Party. The day after this party all the Seniors had little marks from the rough treatment they received. If it wasn't a bruised knee or arm, floor burn or sprained ankle, then it was some other such injury. But fun was had by all.

DEC.

13—The band entertained a large crowd at their concert. The chorus sang several numbers, also.

14—"Drums of Death," the play presented by the Juniors, was widely attended and enjoyed very much.

17—Sophomore Party. This was a "gala" affair. Dancing and games were the MAIN entertainment.

19—"Bethlehem," the cantata presented by the Girls' Chorus, was one of the most beautiful events of the year. Much time was spent in preparing for this Christmas Cantata, and it was truly worth it.

21—School Christmas Dance was held with tree and all the decorations. Many students attended; also many service people.

22—First day of Christmas Vacation! ! !

JAN.

1—Ah, Leap Year!

3—Back to school came the tired and worn out teachers and students, but they were all glad to be back.

23—Three cheers for the Freshmen! ! ! The first class to give an assembly this year. And a very good one, too. They acted out a trip to all parts of the U. S. A., using accents, quaint ways of the place in which they were visiting. The audience was very well entertained, as shown by the applause.

31—"Lost Horizon," given by the Sophomores. The Sophomores, who always give outstanding performances, again displayed their talents.

FEB.

14—Valentine Day. Parties, a dance, and more parties were all crowded into one day. This is a day when Valentines of "BE MY VALENTINE" are sent to your loved ones.

29—Leap Year day. The Leap Year dance was given by the Journalism class. Many girls escorted their dates to this dance. One day in which the girls can rightfully take initiative.

MARCH

29—As the crowd filed up the ramp the strans of "Stairway To the Stars" floated around them. This Junior Prom was one of the best ever given in G. C. H. S.

APRIL

4—Junior Post Prom. Again a large crowd danced under the beautiful decorations of "Stairway To the Stars."

18—All-school hike. Tired, sunburned and sore feet.

MAY

1-4—Senior trip! These days will long be remembered by the Seniors of 1952. Sometime during these wonderful spring days the senior breakfast, slouch day, luncheons, dinners, sleeping parties, plus many other activities which are too numerous to mention were given.

11—Baccalaureate, a beautiful and solemn service. After the exercises, the class was entertained by the Ides Theater.

13—Class day. The Seniors presented the traditional spade to the Junior class. Awards and pins were also presented.

15—Graduation. YES! The last day of G. C. H. S. and the beginning of new experiences. With tearful eyes after the farewell song the seniors received congratulations from family and friends.
